It immediately contracts that distressing nervousness and lassitude so common to the female frame, and imparts an energy and buoyancy as surprising as they are grateful. Bennett & Co.—Gents; Some time in 1843 I was attacked with King's Evil in my arm, which became so sare that I could not use it, and in 1845, mortification set in. I employed, at different times, each physician of cele-brity within my reach; all told me that my arm must be amputated. From the shoulder to the forearm, my arm was full of running sores, some Gallipolis, every TUESDAY, at 2 o'clock, P. M. of them as large as a fifty-cent piece. I then tried an Indian Doctor, who removed the mortified flesh, and stopped the mortification, but could not heal my arm. My strength at this time was completely exhausted, and my person ment of "Guysott's Yellow Dock and Sarsaparilla," which I read attentively, and sent for one bottle of the article. After which I read attentively, and sent for one bottle of the article. After using it a few days, the discharges from my arm increa.ed, and as sumed a light color, and less offensive odor. sent for a second bottle, and while using it found my strength increasing, and the dischargez from my arm decreasing. I continued using it until I had used six bottles, though I felt myself perfectly cured before I used the sixth bottle.— Since that time I have not felt any pain in my arm; no sores have reappeared, and I have no reason to doubt that it is thoroughly cured, for I have no reason to doubt that it is thoroughly cured, for I can labor with it as well as I ever

"Gnysott's Yellow Dock and Sarsapatilla" as lone cured me; I took no other remedy whilusing it, and had I used it at the first appear ance of the malady, I fully believe it would have saved me from years of suffering. And I most earnestly recommed every person suffering under any similar disease, to use "Guysott's Yellow Dock and Sarsaparilla," which will restore them o health. Yours in gratitude, O. M. LEONARD.
